REVIEWS

"It's the kind of music that makes the seat of your pants itchy, as in you can't sit still. Eight tracks of sheer delight..."

~ *Blues Highway* (reviewing album *Controlled Burn*)

"The album starts out with a rocking instrumental intro before launching into an incredible vocal that gets your toes to tapping before an uncontrollable urge to dance takes control of your body..."

~ *LA Music Critic*

"Superior Blues with a rock edge... '69 Chevy' has the feel and tone of a late 50's rock & roll track but I really started getting into it when it kicked into 'Butter Me Up'..."
